***Interest for Africa: Navigate interest rates for all you operational cost facing the issue of non-settlement of bank loans***  
*Mr. Waheed A. Olagunju, Ag. MD, Bank of Industry, Nigeria\**

**Getting out of the Nigerian “Pharmagedon”** Dependence on imported raw materials and machinery, due to under-development of indigenous technological know-how, is a major obstacle to the development of a local pharmaceutical industry.

*Pharm. Okey Akpa, Chairman of Chemical and Pharmaceutical Group of MAN\**
